Article 11 Voted to amend the Code of Belchertown, Chapter 91, Personnel, as previously amended, in the following prescribed manner:

➤ **Add language in bold and underline in the following sections:**

- **§91-5. B. Overtime. (4):** An employee, after having completed his/her assigned work and having left his/her place of employment, called back to work for an emergency or public safety situation by his/her supervisor prior to his/her next regular scheduled starting time will be guaranteed a minimum of three hours pay **between April 1st and October 31st, and three and one half (3 ½) hours pay between November 1st and March 31st.** Recall pay is not intended to apply when an employee works extra hours that merge into his/her regular work shift. Therefore, recall pay is not available when an employee is called to report to duty before the start of his regularly scheduled shift and he/she works until the regular shift commences. Recall pay is not available when an employee is held over to work after the completion of his/her regular shift.
- **§91-6. Employee Benefits. B. Benefits: (3) Holidays (c):** An employee that is required to work on a holiday shall be paid at 1 ½ times his or her base hourly rate for all hours actually worked in addition to his or her holiday pay. **An employee who actually works on Presidents' Day shall receive compensation at two times the employee's base hourly rate for all hours actually worked.** In the alternative, an employee that is required to work on a holiday may, with the approval of his or her supervisor, receive a special holiday leave for each eight hours worked. Special holiday leave earned for working on a holiday must be used in the same fiscal year in which it was earned.
- **In section §91-6. Employee Benefits. B. Benefits: (13) Longevity (a), amend longevity amounts as follows:**

After 10 years of service	from \$600.00 to \$850.00
After 15 years of service	from \$700.00 to \$950.00
After 20 years of service	from \$800.00 to \$1,150.00
- **In 91 Attachment 1, Appendix A, Town Classification-Compensation Plan:**

SECTION 11. ENFORCEMENT.....	7
SECTION 12. SEVERABILITY.....	9
SECTION 13. TRANSITIONAL PROVISIONS	9

SECTION 1. PURPOSE

The purpose of this bylaw is to regulate and eliminate illicit connections and discharges to the Town of Belchertown’s Municipal separate storm sewer system (MS4), which is necessary for the protection of the Town’s water bodies, wetlands, and groundwater, and to safeguard the public health, safety, welfare, and the environment. This bylaw establishes methods for controlling the introduction of pollutants into the [Town’s] municipal separate storm sewer system (MS4) in order to comply with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit process.

The objectives of this bylaw are:

- (1) To prevent pollutants from entering the municipal separate storm sewer system (MS4);
- (2) To prohibit illicit connections and unauthorized discharges to the storm water system (MS4);
- (3) To require the removal of all such illicit connections;
- (4) To establish the legal authority to ensure compliance with the provisions of this bylaw through inspection, monitoring, and enforcement.

Increased and contaminated storm water runoffs are major causes of:

- (1) Impairment of water quality and flow in lakes, ponds, streams, rivers, wetlands and groundwater;
- (2) Contamination of drinking water supplies;
- (3) Alteration or destruction of aquatic and wildlife habitat; and
- (4) Local flooding.

SECTION 2. DEFINITIONS

For the purposes of this bylaw, the following shall mean:

Authorized Enforcement Agency/Applicable Authority: The Director of the Department of Public Works or designated representative, its employees or agents designated to enforce this bylaw.

Best Management Practices (BMPs): Activities, procedures, restraints, or structural improvements that helps to reduce the quantity or improve the quality of storm water runoff. BMPs also include treatment practices, operating procedures, and practices to control site runoff, spillage or leaks, sludge or water disposal, or drainage from raw materials storage.

Clean Water Act: The Federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*) as hereafter amended.

Discharge of Pollutants: The addition from any source of any pollutant or combination of pollutants into the municipal storm drainage system or into the waters of the United States or Commonwealth from any source.

Grandfathered: Exempt from new legislation, restrictions, or requirements.

Groundwater: Water beneath the surface of the ground and not confined in a conduit or container.

Illicit Connection: Any surface or subsurface drain or conveyance, which allows an illegal discharge into the municipal storm drainage system. Illicit connections include conveyances which allow a non-storm water discharge to the municipal storm drainage system, including: sewage, process wastewater or wash water and any connections from indoor drainages sinks, or toilets, regardless of whether said connection was previously allowed, permitted, or approved before the effective date of this bylaw.

Illegal Discharge: Any direct or indirect non-storm water discharge to the municipal storm drainage system, except as specifically exempted in Section 7 of this bylaw. The term does not include a discharge in compliance with an NPDES Storm Water Discharge Permit or resulting from firefighting activities exempted pursuant to Section 7 of this bylaw.

Impervious Surface: Any material or structure on or above the ground that prevents water from infiltrating the underlying soil. Impervious surface includes, without limitation, roads, paved parking lots, sidewalks, and roof tops.

Municipal separate storm sewer system (MS4) or municipal storm drainage system: The system of conveyances designed or used for collecting or conveying storm water, including any road with a drainage system, street, gutter, curb, inlet, piped storm drain, pumping facility, retention or detention basin, natural or man-made or altered drainage channel, reservoir, and other drainage structure that together comprise the storm drainage system owned or operated by the Town of Belchertown.

National Pollutant Discharge Elimination System (NPDES) Storm Water Discharge Permit: A permit issued by United States Environmental Protection Agency or jointly with the State that authorizes the discharge of pollutants to waters of the United States.

Non-Storm water Discharge: Any discharge to the municipal storm drain system not composed entirely of storm water.

Person: Any individual, partnership, group of individuals, association, partnership, firm, company, trust, corporation, business organization, estate, and any agency, authority, department or political subdivision of the Commonwealth or the federal government, the Town of Belchertown, or any other legal entity to the extent permitted by Town bylaw, including any officer, employee, or agent of such person or entity.

Pollutant: Any element or property of sewage, agricultural, industrial or commercial waste, runoff, leachate, heated effluent, or other matter whether originating at a point or nonpoint source, that is or may be introduced into any sewage treatment works or waters of the Commonwealth or wetland resource areas. Pollutants shall include:

- a. paints, varnishes, and solvents;
- b. oil and other automotive fluids;
- c. liquid, solid wastes and yard wastes;
- d. refuse, rubbish, garbage, litter, or other discarded or abandoned objects, accumulations and floatables;
- e. pesticides, herbicides, and fertilizers;
- f. hazardous materials and wastes; sewage, fecal coliform and pathogens;
- g. dissolved and particulate metals;
- h. animal wastes;
- i. rock, sand, salt, soils;
- j. construction wastes and residues; and
- k. noxious or offensive matter of any kind.

Process wastewater: Any water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any material, intermediate product, finished product, or waste product. Process wastewater includes water which has increased in temperature as a result of manufacturing or other processes.

Recharge: The process by which groundwater is replenished by precipitation through the percolation of runoff and surface water through the soil, or by injection of collected precipitation, run off or adequately treated wastewater.

Storm water: Rainwater, snowmelt and/or other water that flows off impervious surfaces and across or over the ground surface rather than being absorbed into the soil.

Toxic or Hazardous Material or Waste: Any material, including any substance, waste, or combination thereof, which because of its quantity, concentration, physical, chemical, corrosive, flammable, reactive, toxic, infectious or radioactive characteristics, either separately or in combination with any substance or substances, may cause or significantly contribute to a substantial present or potential threat to human health, safety, welfare, or to the environment when improperly treated, stored, transported, disposed of, or otherwise managed. Toxic or hazardous materials include any synthetic organic chemical, petroleum product, heavy metal, radioactive or infectious waste, acid and alkali, and any substance defined as Toxic or Hazardous under M.G.L. Ch.21C and Ch.21E, and the regulations at 310 CMR 30.000 and 310 CMR 40.0000.

Wastewater: Any sanitary waste, sludge, or septic tank or cesspool contents or discharge, or water that during manufacturing, cleaning or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct or waste product.

Watercourses: A natural or man-made channel through which water flows or a stream of water, including a river, brook, or underground stream.

Waters of the Commonwealth: All waters within the jurisdiction of the Commonwealth of Massachusetts, including, without limitation, rivers, streams, lakes, ponds, springs, impoundments, estuaries, wetlands, coastal waters, and groundwater.

SECTION 3. APPLICABILITY

This bylaw shall apply to all flows entering the storm drainage system owned and/or operated by the Town of Belchertown.

SECTION 4. AUTHORITY

This bylaw is adopted under the authority granted by the Home Rule Amendment of the Massachusetts Constitution and the Home Rule Procedures Act, and pursuant to the regulations of the federal Clean Water Act found at 40 CFR 122.34.

SECTION 5. RESPONSIBILITY FOR ADMINISTRATION

The Director of the Department of Public Works and/or its designated representative shall administer, implement and enforce this bylaw. Any powers granted to or duties imposed upon the Director of the Department of Public Works pursuant to this Bylaw may be delegated in writing by the Director of the Department of Public Works to employees or agents of the Department of Public Works.

SECTION 6. REGULATIONS

The Director of the Department of Public Works may promulgate rules and regulations to effectuate the purposes of this bylaw. Failure by the Director of the Department of Public Works to promulgate such rules and regulations shall not have the effect of suspending or invalidating this bylaw.

SECTION 7. PROHIBITED ACTIVITIES

1. Illegal Discharges

No person shall dump, discharge, cause or allow to be discharged any pollutant or non-storm water discharge into the municipal separate storm sewer system (MS4). Non-emergency pumping performed by the Fire Department must utilize appropriate best management practices (BMPs) and follow hazardous materials disposal guidelines to prevent contamination of the municipal storm drainage system with hazardous materials. If hazardous materials are observed within the flooded area from non-emergency pumping activities, or are suspected to be contained therein, a qualified hazmat technician and applicable state and local agencies must be consulted. These agencies will be responsible for implementing the BMPs to the contamination of nearby water ways and the municipal storm drainage system.

2. Illicit Connections

No person shall construct, use, allow, maintain or continue any illicit connection to the municipal storm drainage system, regardless of whether the connection was permissible under applicable law, regulation or custom at the time of connection. No grandfathering is permitted.

3. Obstruction of Municipal Storm Drainage System

No person shall obstruct or interfere with the normal flow of storm water into or out of the storm drainage system without prior approval from the Director of the Department of Public Works or designated representative. No person shall dump or dispose of yard waste (leaves, grass clippings, etc.) into the MS4, or into open watercourses (swales, brooks and streams).

- a. Drains – No one shall tie any pump, cellar, yard, roof or area drain directly into the storm water drainage system without approval from the Applicable Authority.

- b. Catch Basins – No Person shall directly or indirectly dump, discharge or cause or allow to be discharged into any catch basin, any solid waste, construction debris, paint or paint product, antifreeze, hazardous waste, oil, gasoline, grease and all other automotive and petroleum products, solvents and degreasers, drain cleaners, commercial or household cleaners, soap, detergent, ammonia, food and food waste, grease or yard waste, animal feces, dirt, sand gravel or other pollutant. Any person determined by the applicable authority to be responsible for the discharge of any of the above substances to a catch basin may be held responsible for cleaning the catch basin and any other portions of the storm water system impacted according to Town standards and requirements or paying the cost for such cleaning. In addition, the Person shall be responsible for paying any penalties assessed by the Town.
- c. Septage – No person shall discharge or cause or allow to be discharged any septage, or septage tank or cesspool overflow into the Town’s storm water drainage system.
- d. Storage & Disposal of Hazardous Material – No one shall dispose of anything other than clear water into the Town’s storm drainage system. The disposal of waste, gasoline or any other hazardous material into the storm drainage system is strictly prohibited and is in violation of state and federal pollution laws.
- e. Private drainage systems – It is prohibited for anyone with a private drainage system from tying into the public storm water disposal system without written approval from the Applicable Authority. The maintenance of any and all private drainage systems shall be the responsibility of the owners.

4. Exemptions

This section shall not apply to any of the following non-storm water discharges or flows provided that the source is not a significant contributor of a pollutant to the storm drainage system.

- a. Waterline flushing;
- b. Emergency pumping performed by the Fire Department;
- c. Discharges (in liquid form) from landscape irrigation or lawn watering;
- d. Diverted stream flows, springs;
- e. Rising groundwater;
- f. Uncontaminated groundwater infiltration as defined in 40 CFR 35.2005(20), or uncontaminated pumped groundwater;
- g. Flows from potable water sources;
- h. Irrigation water, springs;
- i. Water from crawl space pumps, exterior foundation drains, footing drains (not including active groundwater dewatering systems), sump pumps or air conditioning condensation;
- j. Water from individual residential car washing;
- k. Natural flows from riparian habitats and wetlands;
- l. Discharges from de-chlorinated swimming pool water (less than one part per million chlorine) provided it is allowed to stand for one week prior to draining and the pool is drained in such a way as not to cause a nuisance;
- m. Discharges during street sweeping, discharge of sand and deicers used for public safety purposes and other storm drainage system maintenance;
- n. Dye testing, provided notification is given to the Director of the Department of Public Works or designated representative prior to the time of the test;
- o. Non-storm water discharges permitted under an NPDES permit, waiver, or waste discharge order administered under the authority of the United States Environmental Protection Agency, provided that the discharge is in full compliance with the requirements of the permit, waiver, or order and applicable laws and regulations;
- p. Discharges for which advanced written approval is received from the Director of the Department of Public Works or designated representative if necessary to protect public health, safety, welfare or the environment; and
- q. Emergency repairs to the municipal storm drain system, and any storm water management structure or practice that poses a threat to public health or safety, or as deemed necessary by the Town.

SECTION 8. EMERGENCY SUSPENSION OF STORM DRAINAGE SYSTEM ACCESS

The Director of the Department of Public Works or designated representative may suspend municipal storm drainage system (MS4) access to any person or property without prior written notice when such suspension is necessary to stop an actual or threatened illicit discharge of pollutants that presents or may present imminent risk of harm to the public health, safety, welfare or the environment. In the event any person fails to comply with an emergency suspension order, the Director of the Department of Public Works or designated representative may take all reasonable steps to prevent or minimize harm to the public health, safety, welfare or the environment.

SECTION 9. WATERCOURSE PROTECTION

Every person owning property through which a watercourse passes, or such person's lessee, shall keep and maintain that part of the watercourse within the property free of trash, debris, and other obstacles that would pollute, contaminate, or significantly retard the flow of water through the watercourse. In addition, the owner or lessee shall maintain existing privately owned structures within or adjacent to a watercourse so that such structures will not become a hazard to the use, function, or physical integrity of the watercourse.

Failure by the property owner to maintain the watercourse does not constitute an obligation on the part of the Town to assume this responsibility.

SECTION 10. NOTIFICATION OF SPILLS

Notwithstanding any other requirements of local, state or federal law, as soon as any person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of any known or suspected release of materials at that facility operation which is resulting or may result in illegal discharge of pollutants into the municipal drainage system, a wetland resource area, or waters of the Commonwealth, that person shall take all necessary steps to ensure containment, and cleanup of the release. In the event of a release of oil or hazardous materials, the reporting person shall immediately notify the municipal fire and police departments, the Director of the Department of Public Works or designated representative, and the Massachusetts Department of Environmental Protection (if release is reportable as defined by 310 CMR 40.00). In the event of a release of non-hazardous material, said person shall notify the Director of the Department of Public Works or designated representative no later than the next business day. Written confirmation of all telephone, facsimile or in person notifications shall be provided to the Director of the Department of Public Works or designated representative within three business days thereafter. If the discharge of prohibited materials is from a commercial or industrial facility, the facility owner or operator of the facility shall retain on-site a written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three years.

SECTION 11. ENFORCEMENT

1. The Director of the Department of Public Works or an authorized agent of the Department of Public Works shall enforce this bylaw, and the regulations promulgated thereunder, as well as the terms and conditions of all permits, notices, and orders, and may pursue all civil and criminal remedies for such violations.

2. Orders

The Director of the Department of Public Works or designated representative may issue a written order to enforce the provisions of this bylaw or the regulations thereunder, which include, but are not limited to:

- a. Elimination of illicit connections or discharges to the storm drainage system (MS4);
- b. Termination of access to the storm drainage system;
- c. Performance of monitoring, analyses, and reporting;
- d. Cessation of unlawful discharges, practices, or operations;
- e. Remediation of contamination in connection therewith;
- f. Implementation of source control or treatment BMPs.

If the Director of the Department of Public Works or designated representative determines that abatement or remediation of contamination is required, the order shall set forth a deadline for completion of the abatement or remediation. Said order shall further advise that, should the violator or property owner fail to abate or perform remediation within the specified deadline, the Town of Belchertown may, at its option, undertake such work and expenses thereof shall be charged to the violator or property owner.

Within thirty (30) days after completing all measures necessary to abate the violation or to perform remediation, the violator and the property owner will be notified, in writing, of the costs incurred by the Town of Belchertown including administrative costs, for which payment is due to the Town. The violator or property owner may file a written protest or appeal objecting to the amount or basis of costs with the Board of Selectmen within thirty (30) days of receipt of the notification of the costs incurred. If the amount due is not received by the expiration of the time in which to file a protest or appeal or within thirty (30) days following a decision of the Board of Selectmen or designated representative affirming or reducing the costs, or from a final decision of a court of competent jurisdiction, the costs shall become a special assessment against the property owner and shall constitute a lien on the owner's property for the amount of said costs pursuant to M.G.L. Ch. 40, § 58. Interest shall begin to accrue on any unpaid costs at the statutory rate provided in M.G.L. Ch. 59, §57 after the thirty-first day at which the costs first become due.

3. Equitable Remedy

If a person or entity violates the provisions of this bylaw, regulations, permit, notice, or order issued thereunder, the Director of the Department of Public Works or designated representative may seek injunctive relief in a court of competent jurisdiction to restrain the person from activities that would create further violations or compel the person to abate or remediate the violation.

4. Criminal penalty

Any person who violates any provision of this Bylaw, regulation, order or written approval issued thereunder, shall be punished by a fine not to exceed \$300 per violation. Each day or part thereof that such violation occurs or continues shall constitute a separate offense.

5. Non-Criminal Disposition

As an alternative to criminal prosecution or civil action, the Town of Belchertown may elect to utilize the non-criminal disposition procedure set forth in M.G.L. Chapter 40, §21D. The Director of the Department of Public Works or designated representative shall be the enforcing person. The penalty for the 1st violation shall be up to \$100. The penalty for the 2nd violation shall be \$200. The penalty for the 3rd and subsequent violations shall be \$300. Each day or part thereof that such violation occurs or continues shall constitute a separate offense.

6. Right-of-Entry

To the extent permitted by state law, or if authorized by the owner or other party in control of the property, the Director of the Department of Public Works or designated representative, its agents, officers, and employees may enter upon privately owned property for the purpose of performing their duties under this bylaw and regulations and may make or cause to be made such examinations, surveys or sampling as the Director of the Department of Public Works or designated representative deems reasonably necessary.

7. Appeals

The decisions or orders of the Director of the Department of Public Works shall be final. Further relief shall be to a court of competent jurisdiction.

8. Remedies Not Exclusive

The remedies listed in this bylaw are not exclusive of any other remedies available under any applicable federal, state or local law.

SECTION 12. SEVERABILITY

If any provision, paragraph, sentence, or clause, of this Bylaw or the application thereof to any person, establishment, or circumstances, shall be held invalid for any reason, such invalidity shall not affect any other provisions or applications of this Bylaw, and shall continue in full force and effect.

SECTION 13. TRANSITIONAL PROVISIONS

Property owners shall have 120 days from the effective date of the bylaw to comply with its provisions provided good cause is shown for the failure to comply with the bylaw during that period unless local, state, or federal agencies deem that immediate actions are warranted

- Article 42** Citizens Petition – *Voted to postpone to June 19, 2017*
We, the undersigned registered voters of the Town of Belchertown, MA do hereby petition the Board of Selectmen to insert the following in the Warrant for the Annual Town Meeting. We put forth before the voters of Belchertown, MA an administrative requirement for the School Department to post true and accurate monthly budget summaries on their website for review by the taxpayers of Belchertown. If approved, the attached budget summary update requirement would show how the School Department is actually spending taxpayer supplied funding allowing for an informed debate when planning for future budgets.

TOWN OF BELCHERTOWN, MA

CITIZEN PETITION FOR THE PURPOSE OF REQUIRING MONTHLY YEAR TO DATE BUDGET SUMMARY UPDATES

This Petition is for the purpose of requiring the School Department to post monthly budget summary updates showing the following for each line item:

1. Original Appropriation
2. Revised Budget indicating actual spending if not spent for an item defined by the actual budget item. All budgeted funds spent on an item that is other than shown or not clearly defined must be disclosed
3. Year-to-date Expenditure
4. Month-to-date Expended
5. Encumbrances
6. Available Budget
7. Percent of Budget used/remaining

This Budget Update is required at intervals of no greater than monthly and need to be full and complete. Examples:

1. If maintenance funding is being used for a capital improvement such as an office renovation or other construction project it needs to be disclosed.
2. If Maintenance funding (or any other fund) is used to purchase a New Phone System or other like item it needs to be disclosed.

These updates are needed and for the use of Belchertown residents when discussing future budgets.

Motion made and seconded to postpone vote on this article to June 19, 2017.

(Vote - Majority required, too close to call, hand count was called for by Moderator. 104 yes, 101 no, passed by Majority to postpone on this article to June 19, 2017)

Article 43 *Voted to take no action.* **Citizens Petition** We, the undersigned registered voters of the Town of Belchertown, MA do hereby petition the Board of Selectmen to insert the following By-Law in the Warrant for the Annual Town Meeting. We put forth before the voters of Belchertown, MA a Capital Improvement Planning Program. If approved, the attached **Capital Planning Improvement Committee** Bylaw would be added to Belchertown's By-Law and will be budgeted for FY 2019. In FY 2019 this Committee will be established, receive submissions and file their report to the Town Clerk for review by the Board of Selectmen and Finance Committee for the FY 2020 Budget.

TOWN OF BELCHERTOWN, MA

General Bylaw Article

Capital Improvement Program Bylaw:

Sec. 1.

The Board of Selectmen shall establish and appoint a committee to be known as the Capital Improvement Planning Committee composed of three (3) citizens at large, One (1) to serve 1 year, One (1) to serve 2 years and One (1) to serve 3 years and each thereafter for three years. The Capital Improvement Planning Committee shall also include one member of the Board of Selectman, one member of the finance committee, one member of the planning board, the School Department Superintendent (or a designee), the town accountant shall be an ex officio committee member without the right to vote. The committee shall choose its own officers.

Sec. 2.

The Committee shall study proposed capital projects and improvements involving major non-recurring tangible assets and projects which 1) are purchased or undertaken at intervals of not less than five years; 2) have a useful life at least five years; and, 3) cost over \$10,000. In order that the Town: 1) coordinate development of a capital improvement budget with the operating budget of the current year, and 2) develop a capital program including the subsequent 5 years, all officers, boards, and committees including the Selectmen and the Regional School Committee shall, by a date specified annually by the Capitol Improvement Planning Committee, prepare for the committee information concerning all anticipated capital improvement projects requiring Town Meeting action for the period specified. No appropriation shall be voted for a capital improvement requested by a

department, board, or commission unless the proposed capital improvement is considered in the committee report. However, in order to allow consideration of a project reflecting an extraordinary circumstance which must be addressed before the formulation of the next year's capital program, a department, board or committee may submit a proposal to the Capitol Improvement Planning Committee for consideration. The Committee must then submit a report to the Finance Committee and the Board of Selectmen with a satisfactory explanation why the proposal was not considered by the Capitol Improvement Planning Committee at a time when it could be included in the committee's report. Each of the boards and committees must vote that the proposed project meets the extraordinary circumstance issue.

Sec. 3.

The Committee shall prepare an annual report recommending a Capital Improvement Program for the next fiscal year, and for each of the subsequent 5 years. The Capitol Improvement Planning Committee will explain which capital improvement projects considered by the committee are recommended and which projects it does not recommend for inclusion in the capital program. The report shall be submitted to the Board of Selectmen and the Finance Committee for their consideration. The Board of Selectmen shall submit its approved Capital Improvement Program to any Annual or Special Town Meeting for adoption by the Town.

Sec. 4.

Such Capital Improvement program, after its adoption, shall permit the expenditure on projects included therein of sums of departmental Budgets for surveys, architectural or engineering advice, options, or appraisals. No such expenditure shall be incurred on projects that have not been so approved by the town through the appropriation of sums in the current year or in prior years or for preliminary planning for projects to be undertaken more than five (5) years in the future.

Sec. 5.

The Committee's report with the Selectmen's and Finance Committee's recommended Capital Plan/Budget shall be published and made available consistent with the distribution of the Finance Committee Report. The Committee shall deposit its original report with the Town Clerk.

Sec. 6.

The proposed annual budget shall include an appropriation of not less than 1% of the Town's operating budget to fund the Capital Plan. This can be included in individual department budgets or separately. The Capital Improvement Planning Committee shall have a budget of no less than \$3,500 for administrative services and other misc. needs.

Article 42 *Did not Pass.* Citizens Petition - We, the undersigned registered voters of the Town of Belchertown, MA do hereby petition the Board of Selectmen to insert the following in the Warrant for the Annual Town Meeting. We put forth before the voters of Belchertown, MA an administrative requirement for the School Department to post true and accurate monthly budget summaries on their website for review by the taxpayers of Belchertown. If approved, the attached budget summary update requirement would show how the School Department is actually spending taxpayer supplied funding allowing for an informed debate when planning for future budgets.

TOWN OF BELCHERTOWN, MA

CITIZEN PETITION FOR THE PURPOSE OF REQUIRING MONTHLY YEAR TO DATE BUDGET SUMMARY UPDATES

This Petition is for the purpose of requiring the School Department to post monthly budget summary updates showing the following for each line item:

1. Original Appropriation
2. Revised Budget indicating actual spending if not spent for an item defined by the actual budget item. All budgeted funds spent on an item that is other than shown or not clearly defined must be disclosed
3. Year-to-date Expenditure
4. Month-to-date Expended
5. Encumbrances
6. Available Budget
7. Percent of Budget used/remaining

This Budget Update is required at intervals of no greater than monthly and need to be full and complete. Examples:

1. If maintenance funding is being used for a capital improvement such as an office renovation or other construction project it needs to be disclosed.
2. If Maintenance funding (or any other fund) is used to purchase a New Phone System or other like item it needs to be disclosed.

These updates are needed and for the use of Belchertown residents when discussing future budgets.

Motion made and seconded to amend the motion by changing the wording of #2. "Revised Budget indicating actual spending if not spent for an item defined by the actual budget item. All budgeted funds spent on an item that is other than shown or not clearly defined must be disclosed" to "2. Disclosure of spending for any item or service purchased that is not shown or clearly defined by the line item from which the funds are spent"
