

The Mission of Belchertown Animal Relief Committee (BARC) is to provide local educational programs and services to create awareness around animal care, disease and cruelty issues. BARC will supply the funds needed to build a new and innovative Belchertown Animal Control Facility and will give supplemental assistance to help cover any deficit beyond the town budget.

With our help, Belchertown Animal Control will be able to provide a safe and healthy environment for our animals and transition these animals into our community by providing:

- Adoption Services – Providing careful placement of adoptable animals
- Networking with AniMatch- Evaluating and accepting transfers of adoptable animals from a facility who cannot otherwise provide appropriate placement
- Animal Care
 - Partnering with local Veterinarians to provide the best medical care
 - Arranging easily accessible rabies and microchip clinics
 - Assisting our community with trapping, spaying/neutering and vaccinating feral cats
- Wildlife Care- Picking up and transporting wildlife to local rehabilitators
- Education
 - Provide adoption counseling
 - Implement in-school programs directed at developing the next generation of responsible pet owners
 - Giving shelter tours
 - Participating in community events

MAKE A GIFT TODAY AND HELP BUILD A NEW ANIMAL CONTROL FACILITY FOR OUR COMMUNITY!

I (WE) WILL MAKE A GIFT OF: \$10 \$25 \$50 \$100 Other \$ _____
