We are still waiting to review Mark June-Wells Management Plan and Lake Survey. We will want to coordinate a meeting with Mark in conjunction with any permitting so we can educate people as to the best approach to lake management.

Chapter 91 Appeal Status, Water Skiing Slalom Course- Lake Metacomet:

Course can be installed after Con Com has been contacted and views the installation

Boating By-Law

We did not have an official from the Belchertown Police Department present- Leeanne was advised that police need to see a violation in order to fine someone. People can call the police when violations occur so there is documentation.

Leeanne will check with Town Counsel and the Town Clerk to see what is needed to amend the bylaws at the next annual town meeting

The meeting adjourned at 7:45
