Because we did not have a corium we took no actions or voted on anything.

We did talk about Mass Development. As Mass Development goes forward with the state school, what do they want to do with it?

We talked about asking the public about what they think about a memorial at the former Belchertown State School. We talked about possibly having a booth at the fair to help get ideas from the town's people. Possibly newspaper articles with a prelude to the fair.

We ended the meeting at 2030.

Sincerely,

Leslie E. Squires
Chairman
Belchertown Historical Commission
