Absent: Tilo Schiffer, Brenda Aldrich

Meeting called to order at 6:30 p.m.

REVIEW MINUTES

Minutes from meeting Nov. 14 were reviewed. Chris made a motion to accept the minutes from the Nov. meeting, *Wilbur seconded, Nancy abstained and motion passed 3-0-0.*

OLD BUSINESS

Kyle will be submitting a CPR grant to construct an ADA compliance sidewalk to the CHCS football field. A quote was given by Hodgen's Landscape for asphalt \$19,250.00 or concrete 19,360.00. Asphalt has to be twice as thick as concrete which is why the price is comparable. Concrete is a better material.

The Friends of the Rec meeting was postponed on Tuesday, Dec. 11. Wilbur will ask to reschedule the meeting to Wed. Jan. 16 at 7:15pm at the Recreation Dept. immediately following the Recreation Committee meeting. All committee members would be welcome to stay for the Friends of the Rec meeting.

Wilbur informed the committee that Friends of the Rec will be submitting a CPR grant in the amount of \$4,600.00 to help offset the cost of the disc golf project.

Wilbur announced the Friends of the Rec will be running a concession stand on Feb. 2 at the High School gym while the Recreation Dept. hosts a suburban basketball tournament. Nancy & Chris offered to help if needed on that day.

NEW BUSINESS

Kyle stated the aquatic coordinators position is now posted. The Selectmen will decide if this position will be a 37½ hour a week or if it will remain a 35 hour a week position. Kyle expressed to Gary that the position could be managed at 35 hours per week. Bill is unsure if he has the time to sit in on the interview process. Kyle will reach out to Brenda to see if she can be present for the interview process. If Brenda is unable to attend, Nancy will be present for the interviews.

DIRECTORS REPORT
