

Sand

During the winter season, regular sand (no salt mix) is available for residents. Residents are required to provide their own bucket(s), shovel and means of transportation. Sand is located at the DPW Highway Garage located at 290 Jackson Street. THERE IS NO FEE

RESIDENTIAL USE ONLY; CONTRACTORS NOT ALLOWED

UNUSABLE FILL

The Department of Public Works has on occasion unusable fill available to town residents/contractors. This is excavated material as a result of construction projects and roadwork.

If you are interested, please contact the DPW at (413) 323-0415.

You will be asked to provide the following information:

- 1. Name (Property Owner)*
- 2. Address and telephone number of property owner requesting fill*
- 3. Amount of fill needed*
- 4. Purpose*
- 5. Location*

**All requests will be reviewed by the Director and approval/denial will be rendered.*
